AGENDA TOPICS

Budget Work Meeting:

Budget packets reflecting each Department proposed budgets were reviewed.

Employees' increases were discussed. Commissioner Weber mentioned that the Consumer Price Index the City bases their cost of living increase (COLA) on, only went up about ½ of a percent. Discussion was to offer a 0 – 2% merit increase for employees with no COLA increase.

Medical insurance numbers were reviewed, as well as employees' contributions to medical insurance. It was determined that the amount the employee contributes will have to be increased as the county portion has gone up 18% for the coming budget year. The Clerk's Office will work up several scenarios for the next meeting. Final decisions will be made at the next commissioners' meeting.

Commissioner Smith made a motion to adjourn at 10:15 a.m. Commissioner Weber seconded and voting was unanimous.

Approved:

Jon Weber, Commissioner

Todd Smith, Commissioner
